Today's Program

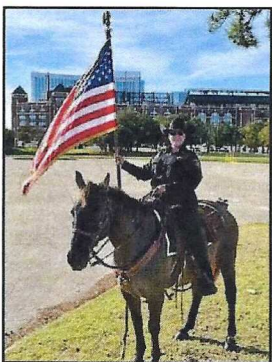

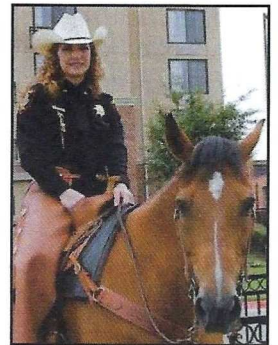

Today's program is **Cheri Gigliotti** and **Kristen Jaffe** with the **Tarrant County Sheriff's Posse**.

Cheri joined the Tarrant County Sheriff's Posse in 2009. She progressed through the officer ranks beginning with Supply Sergeant, then Executive Officer and became the first woman Captain in 2018. She has earned her Cross Sabers through participation in mounted patrol training.

Professionally, Cheri has earned her Certified Public Accountant (CPA), her Certified Information Systems Auditor (CISA) and her Project Management Professional (PMP) certifications. Double majoring in Accounting and Management Information Systems at Texas Tech, Cheri has more than 38 years of experience in IT and accounting. Thirty of those years have been with KPMG where she still hangs her pocket protector and green eyeshade.

Personally, Cheri is married with two girls. Her husband is retired (says he is the driver and baggage handler). Her oldest daughter, Jana is a Veterinarian in Chicago and her youngest daughter, Sara, has her A&P certification and is an airplane mechanic for Stature Aviation in Addison.

Cheri loves animals and teases that she has 4 horses, 3 dogs, 2 cats, and a husband in a pear tree! – however, the shelter is FULL!

Kristen serves as the Drill Lieutenant for the Tarrant County Sheriff's Posse and has been an active member for five years. A dedicated and highly accomplished mounted rider, she earned the Top Hand buckle four consecutive years (2022–2025). Kristen has attended the Mobile, Alabama Mounted Police School and has patrolled Mardi Gras for the past two years, with plans to return again next month. She earned her cross sabers through extensive mounted patrol training, including TX Unified, the Majestic Unified Equines 40-Hour Mounted Police School, Bill Ritchey clinics, and Lone Star Equine Solutions clinics. Kristen has also attended the National Mounted Police Colloquium for the past two years, where she and her horse Gunner earned a ribbon in Team Mounted Obstacles their first year and narrowly missed placing the

following year. Committed to continued professional development, she plans to attend Mounted Patrol International's Mounted Instructor School in March.

Kristen currently owns three horses: Gunner, a 28-year-old grullo Appendix Quarter Horse gelding; EssieMay, a 24-year-old bay Tennessee Walking Horse mare; and Raylan, an 8-year-old buckskin Clydesdale/Gypsy Vanner/Quarter Horse cross gelding. Outside of the saddle, she is a Senior Asset Manager with TriWest Multifamily, overseeing a portfolio of 10 apartment communities totaling more than 1,200 units. She holds CPM, ARM, and CCIM designations, reflecting her expertise and leadership in the multifamily real estate industry.
